

# QuantumX Hack

Team: 4 Coderzz

A large, abstract graphic element in the upper right corner consists of numerous thin, yellow wavy lines that curve and flow across the dark purple background, creating a sense of motion and depth.

Team:  
**Dhanush Y P**  
**Vibha Krishna Dandu**  
**Yajat Vinod Vishwakarma**  
**Muskan Rizwan Shaikh**

# Problem Statement

10% of Indian population can speak English.

Actual percentage of English speaking people is just 2% as remaining 8% can't do it up to the mark due to broken English with grammatical errors.

# Speechinator 3000

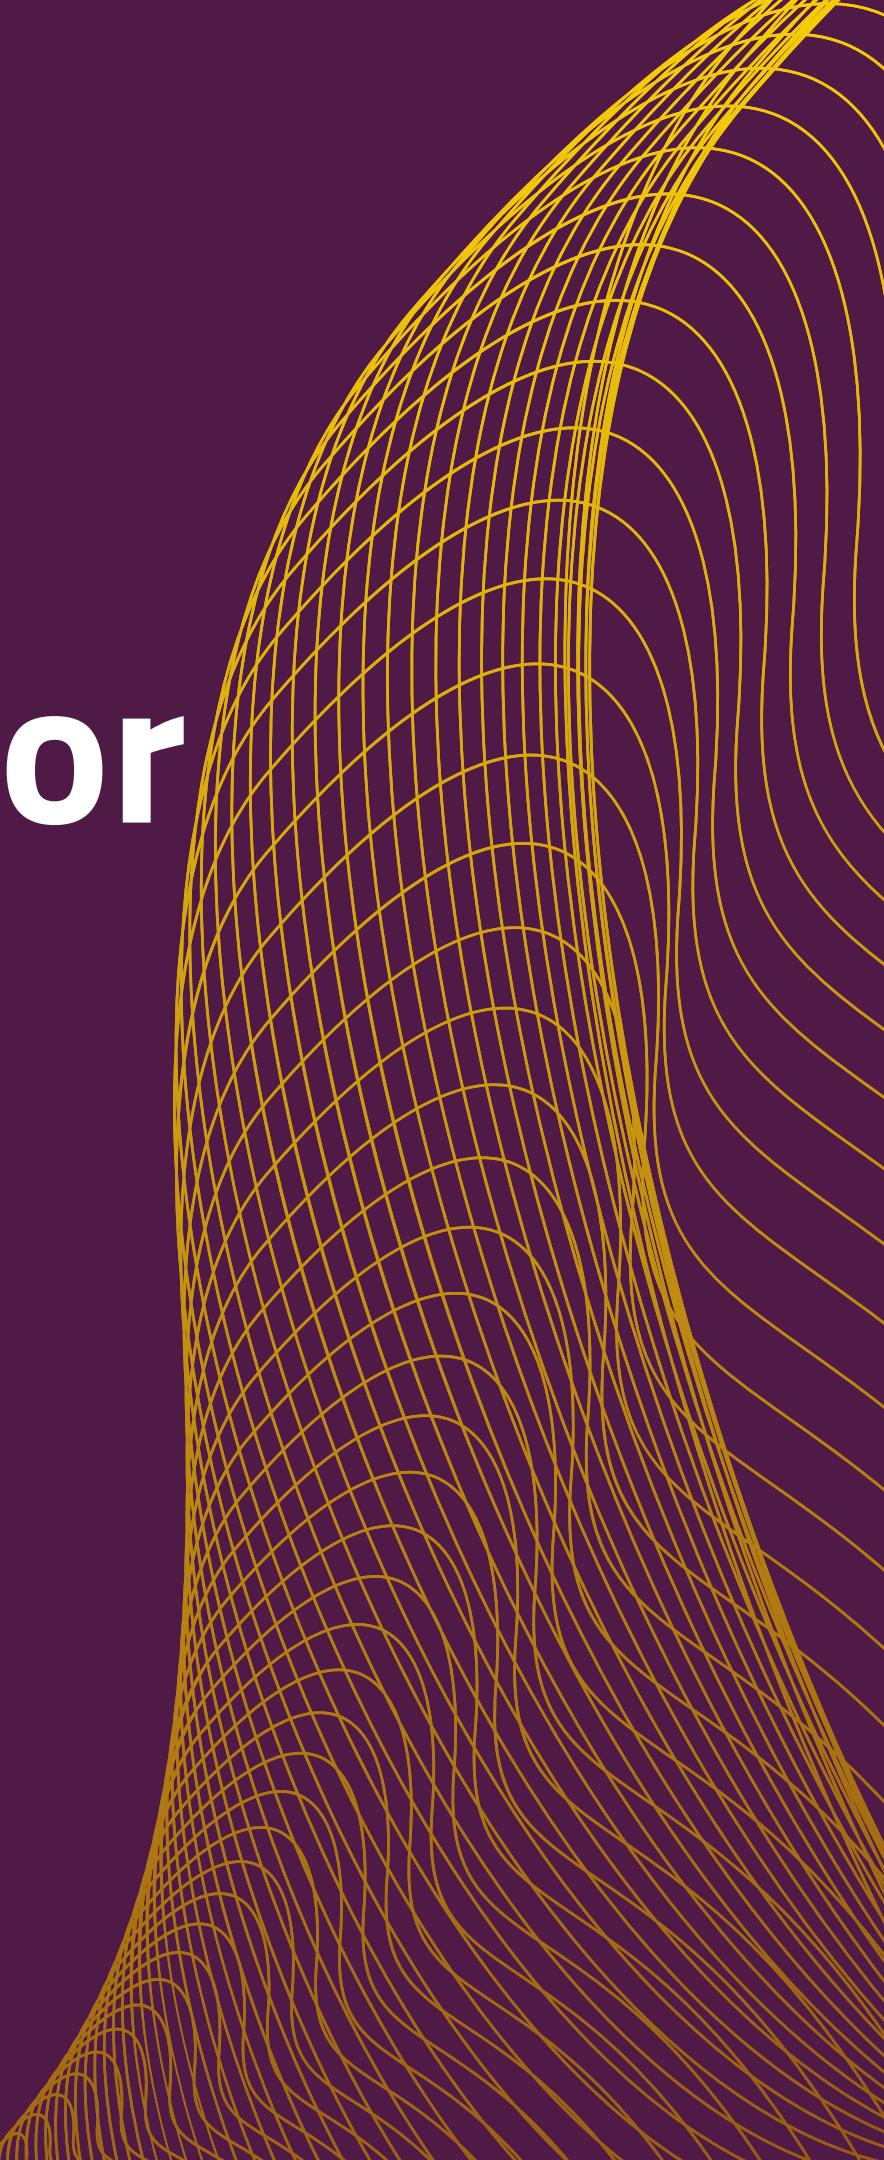

Your Personal Speech Companion

An AI powered platform for  
perfecting the art of  
presenting.

With state-of-the-art features

# The 5Ps of Presentation

Effective presenters are engaging and exciting, building a deep connection to the listeners.

**01**
